

Skills

Hard Skills: HTML/CSS, Python, MongoDB, JavaScript, Java, MySQL, C
Soft Skills: Communication, Critical thinking, Problem-Solving, Adaptability, Team Collaboration

Work Experience

Data Analytics Intern - Deloitte

Apr 2025 - Apr 2025

Data Visualization Tools, Data Cleaning, Dashboard Design

- Completed **Deloitte Data Analytics Virtual Internship** analyzing client datasets.
- Applied **data cleaning, transformation, and forensic analytics** to simulate real-world data analytics workflows.
- Developed **interactive dashboards** using **Tableau** to communicate key trends and patterns effectively

Software Engineering Intern - JPMorgan Chase and Co

Sep 2025 - Sep 2025

REST APIs

- Implemented **Kafka Integration** for real-time data streaming and message handling.
- Integrated **H2 Database** for lightweight, in-memory data management during development.
- Built and tested **REST API services** with proper controller implementation to enable system interaction.

Technical Projects

Trpifyy

2024

HTML/CSS, JavaScript

[🔗 Live Demo](#)

- Developed Trpifyy, a user-friendly Tour & Travels website.
- Designed to facilitate exploration, planning, and booking of travel services.
- Implemented features for seamless user experience and efficient service delivery.

Portfolio Website

2024

HTML/CSS, JavaScript

[🔗 Live Demo](#)

- Built personal portfolio website showcasing projects and skills using HTML, CSS, and JavaScript.
- Designed responsive, user-friendly interface for optimal viewing across all devices.
- Integrated interactive elements, optimized performance for seamless user experience.

Cineverse

2025

HTML/CSS, JavaScript, API Integration

- Built Cineverse, a movie discovery and streaming companion application.
- Added an advanced search functionality to quickly find movies from a large collection.
- Integrated trailer playback feature for users to preview movies directly in the app.

Education

SAGE University

BCA (2023 -2026)

SACRED HEART CO-ED SCHOOL

Class XII (2023)

Percentage: 61.2

SACRED HEART CO-ED SCHOOL

Class X (2021)

Percentage: 77

Certifications

- [SQL Pro: AI-Powered Querying](#) - Sunstone School of Technology (October 2025)
- [Advanced JavaScript](#) - Sunstone School of Technology (June 2025)
- [C Programming](#) - Sunstone School of Technology (April 2025)
- [Fundamentals of Git and GitHub](#) - Ace Academy (February 2025)

Achievements

- Secured 1st position in the "Front-end Contest" at SAGE campus, demonstrating expertise in UI/UX design principles and innovative coding skills.

- Secured 2nd position in the "Java Coding Contest" at SAGE campus, demonstrating strong fundamentals in Java programming and logical problem-solving skills.
- Secured 1st Position in Sunstone Weekly Quiz 5 – “Guess Who Invented It”, recognized for outstanding individual performance and awarded ₹1000 for top score.
